

REMARKS

Applicants thank the Examiner for deeming claims 24-34, 37, 46-53, 56-63, 65-68, 77-82 and 85 allowable. Applicants have amended claims 35, 36, 54, 55, 64, 65, 83 and 84 to recite the word "isolated." No new matter has been added.

Claims 24-37, 46-68 and 77-85 are pending.

I. Rejection of Claims 35, 36, 54, 55, 64, 65, 83 and 84 Under 35 U.S.C. §112, first paragraph

On page 2 of Paper No. 37, claims 35, 36, 54, 55, 64, 65, 83 and 84 are rejected for allegedly lacking enablement in the specification. Applicants have amended the above listed claims to recite the word "isolated" as suggested by the Examiner. Applicants believe that the above described amendment to the claims overcomes this rejection under 35 U.S.C. §112, and respectfully request its reconsideration and withdrawal.

CONCLUSION

Applicants respectfully request that the remarks of the present response be entered and made of record in the present application. If any additional information is needed, Applicants respectfully request that the Examiner contact the undersigned to facilitate prosecution. The application is believed to be in condition for allowance and early notice to that effect is earnestly solicited. If a fee is required in connection with this paper, please charge Deposit Account No. 08-3425 for the appropriate amount.

Respectfully submitted,
